Brandon and Winnipeg

Copyright, Canada, 1947, by Henderson Directories Ltd., 279 Garry St., Winnipeg.

Introductory

The present volume constitutes the 1947 edition of Henderson's Directory of Brandon. The work embodies a complete epitome of the civic, commercial, social, and industrial interests and activities of the municipality. It is a modern Directory in all its parts and includes all the essential features which have proven so satisfactory to our patrons in previous issues; these have been retained and amplified, and improvements have been added as suggested by experience in order to add to the value and usefulness of the Directory thus fully meeting the requirements of patrons; the approbation and continued patronage accorded the work are constant incentives to better service.

The publication has had the benefit and advantage of the complete organization and resources of the publishers, and of the skill and experience of their corps of enumerators and compilers added to the courteous co-operation of citizens, in the production of the volume.

THE STREET AND AVENUE GUIDE starting on page 29 features the names of all streets and avenues arranged alphabetically and numerically, giving the location, number on the street and showing the occupant.

The intersecting streets are shown in the order that they come.

THE ALPHABETICAL LIST OF NAMES of citizens, business firms and corporations starts on page 83.

THE CLASSIFIED DIRECTORY at the end of Book, exhibits the various manufacturing, mercantile, and professional names, compiled under headings appropriate to the class of industry or profession followed.

BRANDON POPULATION, 18,500

The Directory estimate of population is based on the actual number of individuals' names in the Alphabetical section of the Directory, with due allowance for children and for women whose names are not listed. The Brandon Directory covers considerable territory beyond, but tributary to the city limits, which is canvassed in order that the names of all people employed or who purchase in Brandon may be obtained.

ADVERTISING BRANDON

An important function of the Directory is to set forth the characteristics and advantages of the city as a place of residence, as a business location, as an industrial site, and as an educational centre. The Directory acts as a mirror, reflecting all that is noteworthy in the city in the above respects. In order to spread this information regarding the city, the publishers have placed copies of this issue of the Directory in libraries across the country, where they are readily available for reference use by the public. There they serve as perpetual advertisements of Brandon, for business men the country over realize that the City Directory represents the community as it really is.

The publishers take this opportunity of thanking the citizens for valuable assistance rendered in the way of furnishing information concerning themselves, their friends and their business interests for this Directory, and also the public-spirited and progressive business and professional men for support given in the way of patronage.

Respectfully, The Publishers

HENDERSON DIRECTORIES LIMITED.

October, 1947

PUBLISHERS' NOTE

The information in this directory is gathered by an actual house to house canvass, and is compiled in a way to insure maximum accuracy.

The Publishers cannot and do not guarantee the correctness of all information furnished them nor the complete absence of errors and omissions, hence no responsibility for same can be or is assumed.

The Publishers earnestly request the bringing to their attention of any inaccuracy so that it may be corrected in the next Directory.

HENDERSON DIRECTORIES LIMITED,
PUBLISHERS.

City of Brandon

(By Courtesy of the Brandon Board of Trade)

THE city was formed out of the county of Brandon by special act of the legislature in 1882. It has always been a city. After the arrival of the railway in 1883 its growth was extremely rapid. It took the name of the "Wheat City of the West." The reason is evident from the fact that the area surrounding Brandon, particularly to the south, north and west, has been and is one of the greatest and most reliable grain growing areas in western Canada. Following its development as a grain growing area the livestock industry was developed. For many years past Brandon has been a centre for purebred livestock in all its branches. Brandon breeders have been acclaimed in all the capital show-rings of this continent for their cattle, horses, sheep and swine.

Today Brandon has the provincial exhibition of Manitoba and the Manitoba winter fair with fullest facilities for the showing and encouragement of livestock and other agricultural and allied activities. Exhibitors from many parts of Canada and the United States are constant exhibitors at Brandon in competition with the Manitoba breeders. Brandon livestock interests also exhibit their stock in many parts of the American continent and have achieved very considerable success rewarding their efforts.

The Brandon Board of Trade and the Junior Chamber of Commerce each have an active organization. Their offices are maintained in the city hall for the purpose of their general activities and tourist bureau.

Brandon is the distribution centre of all western Manitoba and eastern Saskatchewan. It is the hub of all transportation facilities in western Manitoba. The main lines of the Canadian Pacific and the Canadian National Railways give splendid service. There are in addition bus transportation both east and west and north and south. Truck transportation also finds its centre in Brandon both for the importing and exporting of merchandise. The city has recently instituted a municipal airport and air service to various points is available and is to be shortly a main line stop for TCA.

Brandon has taken advantage of natural industries where raw materials are readily available from the immediate district, and markets both for local consumption and for exporting are produced in quantity.

Brandon's future seems assured. Population by actual count in April of 1947 was 18,801, an increase of 1,386 over 1945. Town planning has been undertaken and the scheme is being prepared for the protection of present and future building properties and for orderly development of the city. Considerable areas with trackage, sewer and water are available for developing heavy industry. Sites are also available for distributing and retail development. Favor-

able power rates are granted by the Manitoba Power Commission, a provincially owned and operated utility. Brandon's water supply is assured and is being improved by the end of this year. Pure soft water of a standard quality will be available to all parts of the city. Many permanent payrolls are assured, e.g. Canadian Pacific and Canadian National railroads, and employees of industries natural to the community. A large and prosperous farming community tributary to Brandon produces a variety of crops and other produce, thus assuring stability, and continued prosperity.

CITY OF BRANDON

Civic Administration

BRANDON CIVIC OFFICIALS

City Hall: Princess Avenue bet. 8th and 9th Sts.

Mayor—Frank Williamson
City Clerk—Gavin A. Hall, LL.B.
Assistant—A. E. Hepinstall.

BRANDON FIRE DEPARTMENT

Headquarters: Princess Avenue cor. Seventh Street
Chief—George M. Bain

The department consists of twenty-four permanent firemen of two platoons.

The equipment consists of one auto hose and booster tank truck, one auto aerial truck, one chief's auto car, and two combination auto pumpers and hose trucks.

There are 222 fire hydrants distributed throughout the city. The fire pressure from the waterworks pumping station is 140 pounds with a total pump capacity of 3½ million gallons in 24 hours. The electric fire alarm system has 41 boxes.

There is a 625,000-gallon elevated tank.

BRANDON WAR MEMORIAL PUBLIC LIBRARY

On November 28, 1944, the ratepayers of Brandon passed a by-law providing for an annual levy not exceeding one mill on the rateable real property of the city in support of a public library to be managed and operated by a committee of seven, consisting of the Mayor, Finance Chairman of the Council, and five resident electors appointed by the Council.

In a beautiful, centrally located building, a former bank premises given to the city by the Bank of Montreal, the Library was officially opened with suitable ceremony on September 5, 1946.

Residents of the city, owners of property within the city, may obtain library cards on payment of an annual fee of \$2.00 per individual or per family, but children, students, and teen-aged young people who are not yet self-supporting, may borrow books free of charge. Non-residents may have library cards on payment of an annual fee of \$3.00 per individual.

LIBRARY HOURS

Monday, 12 noon to 9 p.m.; Tuesday, 12 noon to 6 p.m.; Wednesday, closed; Thursday, 12 noon to 9 p.m.; Friday, 12 noon to 6 p.m.; Saturday, 10 a.m. to 6 p.m.

The Library Board meets monthly on the 4th Monday at 7.30 p.m. in the office of the Assistant City Clerk.

Librarian: R. Bruce Carrick.

CITY WATERWORKS PUMPING STATION

Source of supply—taken from the Assiniboine River; method of purification—water passes through sedimentation chambers after leaving River Intake, flows by gravity through a 40-inch underground pipe line to suction wells at pumping station; the water is chlorinated in suction wells, and is then pumped from wells to and through sand beds in the pressure filters, 8 in number; capacity of each filter unit 500,000 Imp. Gals. per 24-hour day. Pumping equipment—one twin tandem compound pumping engine, capacity

3,000,000 U.S. Gals. per 24-hour day; one Turbine engine direct connected to a two stage centrifugal pump, capacity 1,150,000 U.S. Gals. per 24-hour day; two Harland double suction centrifugal motor driven pumps, capacity for each unit 3,000,000 Imp. Gals. per 24-hour day. Extensive alterations being carried out for gravity filter and softening plant. Electric power supplied by the Manitoba Power Commission. Steam Boilers—one return fire tube boiler, rating 100 H.P., equipped with shaking and dumping grates. Reservoirs—one Horton Elevated gravity supply tank, equipped Rostop Cathodic System, capacity 625,000 Imp. Gals. Distribution System—C. I. Mains 48 miles, 16 inches to 4 inches. Domestic services 3,600, industrial services 48, railway services 15, lead and copper service pipe. Hydrants 220. Pressure—domestic, varies as per altitude 45 to 85 lbs. Fire pressure 140 lbs. Consumption—average daily 1,800,000 Imp. gals. Meters—meters installed 3,400.

PUBLIC WORKS AND IMPROVEMENTS

The city has 48 miles of water mains, 38 miles of sewer, 56 miles of granolithic sidewalks, 75 miles of graded streets, and 7½ miles of paved streets, 16½ miles of boulevard and 220 fire hydrants. Permanent steel and concrete bridges are constructed over the river at First and Eighteenth Streets and over C.P.R. at Eighth Street.

Brandon, lat. 49.51, lon. 99.57; elevation at City Hall 1,255 feet above mean sea level.

STREET LIGHTING SYSTEM

Standard lighting system with 8 five-light ornamental standards. 280 single lights, 460 ornamental single light-brackets. Alterations now being carried out.

The population in 1947, according to the last Civic census, was 18,801.

1946	1,034,665
1947 (to June 30th)	405,650

SYSTEM OF NUMBERING HOUSES

The system of house numbering adopted by the City of Brandon is the Philadelphia or Decimal System. By this system an even hundred numbers are allotted to each block and the principal advantage of the system is that the number indicates how many blocks distant it is from any given point on the street or avenue.

On avenues which run east and west a number is allotted to every twelve feet, and on streets which run north and south a number is allotted to every fifteen feet.

Odd numbers are located on the east and north sides, and even numbers on the south and west sides.

The affix "east" is used to indicate avenues that number eastward from First Street and the affix "north" is used to indicate streets that number northward from Pacific Avenue.

Pacific Avenue is taken as a basis for all streets running south starting at number 1 and going southward 100 to the block to the southern limits of the city.

Assiniboine Avenue is the basis for all streets running northward starting at number 1, going northward 100 to the block to the northern limits of the city.

First Street is the basis and dividing line for all avenues which run east and west. Starting at 100 and going westward 100 to the block to the western limits of the city, and again starting at number 1 and going eastward 100 to the block to the eastern limits of the city.

Rosser Avenue and all avenues running westward from First Street are intersecting as follows:

Number	Number
100 First Street	1000 Tenth Street
200 Second Street	1100 Eleventh Street
300 Third Street	1200 Twelfth Street
400 Fourth Street	1300 Thirteenth Street
500 Fifth Street	1400 Fourteenth Street
600 Sixth Street	1500 Fifteenth Street
700 Seventh Street	1600 Sixteenth Street
800 Eighth Street	1700 Seventeenth Street
900 Ninth Street	

1800 Eighteenth Street and so on to Thirty-fourth St. and western boundary of the city.

Rosser Avenue East and all avenues running eastward from First Street are intersected as follows:

Number	Number
1 First Street	500 Rideau Street
100 Dennis Street	600 Franklin Street
200 Russell Street	700 Percy Street
300 Frederick Street	800 Douglas Street
400 Park Street	900 Tenth Street

1000 Eleventh Street and so on to Seventeenth Street and eastern boundary of the city.

First Street is a basis for all streets, running southward from Pacific Avenue west of First Street, which are intersected as follows:

Number	Number
1 Pacific Avenue	800 College Avenue
100 Rosser Avenue	900 Park Avenue
200 Princess Avenue	1000 Southern Avenue
300 Lorne Avenue	1100 Brandon Avenue
400 Louise Avenue	1200 Hill Avenue
500 Victoria Avenue	1300 Queen's Avenue
600 McTavish Avenue	1400 Brock Avenue
700 Van Horne Avenue	

1500 Richmond Avenue, the southern boundary of the city, east of First Street are intersected as follows:

Number	Number
1 Pacific Avenue	800 College Avenue
100 Rosser Avenue	900 Park Avenue
200 Princess Avenue	1000 Hawthorne Avenue
300 Lorne Avenue	1100 Madison Avenue
400 Louise Avenue	1200 Lexington Avenue
500 Victoria Avenue	1300 Clark Avenue
600 McTavish Avenue	1400 Spadina Avenue
700 Van Horne Avenue	

1500 Wellington Avenue, the southern boundary of the city.

TRANSPORTATION FACILITIES

The city is connected by two great trunk lines, viz.: the Canadian Pacific and Canadian National.

Brandon is the second divisional point on the C.P.R. System west of the Manitoba boundary in the very heart of the Province.

The Canadian National Railway Company's new main line from Port Arthur to Regina gives Brandon a fast through passenger service. This Company realizes that Brandon is one of its most important divisions.

TOTAL RATEABLE ASSESSMENT

1925	\$13,575,365
1930	13,576,950
1935	11,270,051
1940	8,905,995
1941	8,892,780
1942	9,037,445
1943	9,118,265
1944	9,185,980

MUNICIPALITY OF CORNWALLIS

Office: 7, 107 Eighth Street

Secretary-Treasurer—F. H. Gerry

DOMINION EXPERIMENTAL FARM

The Dominion Experimental Farm is situated adjacent to the City and immediately north of the Assiniboine river. The office and farm buildings are about two and a half miles from the post office, and may be reached by driving north on Eighteenth Street. The farm comprises 840 acres, four hundred of which are in the Assiniboine Valley, and the remainder on the sloping sides and on the upland. The soil varies from rich clay loam to sandy loam.

This farm was one of the first five established in the Dominion in 1886. It was established by the Government of Canada to provide the needed means for conducting experimental work in the various fields of agricultural production for which the province is suited. In addition to field crop experimental work, which includes cereal crops, forage crops, crop rotations, weed control, and vegetable growing, work is also under way in experimental breeding, feeding, and housing of horses, cattle, swine, and poultry. The experimental apiary includes approximately a hundred and fifty colonies of bees. The arboretum, planted over half a century ago, is an interesting demonstration of hardy trees suited to local conditions. The ornamental plantings are of interest to citizens of both the rural and urban areas.

Visitors are welcome.

Superintendent—R. M. Hopper, B.S.A., M.Sc.
